Re: buying of four hectare of land at \_\_\_\_\_(location)

Dear Mam/Sir,

Good day! I \_\_\_\_\_(name of agent) from \_\_\_\_\_(name of real estate) have seen your signboard saying you want to sell your farm land at \_\_\_\_\_(location of the land). Me as an agent wants to buy your land as soon as possible.

Your land looks promising for better investments as it is rich in soil and good water resources. If you are interested in selling it, can we meet at \_\_\_\_\_(meeting place and time) for further arrangements and to talk about your selling land? The soonest that we meet the faster we can buy your land.

I hope we can have a fruitful agreement once we meet each other, you can contact me at this number \_\_\_\_\_(contact number of agent). Thank you for allotting your time in reading this letter.

Sincerely,  
(Name of agent)
